President's Message

Greetings,

The deadline is fast approaching to register for the Spring mini-convention. The grounds of the new facility are wooded and the time of the year should be conducive to Spring ephemerals. Additionally, Bob has lined up a nice variety of interesting topics for the seminars and some time to play with our cameras is built in to the conference. These are always fun. The accompanying photos were taken at previous mini-conventions.

Again, I would like to remind judging clubs that contest rules passed at the Fall convention do not take effect until after they are published in the handbook this Summer. That means the size changes don't happen yet, nor is creative currently changed to altered reality. There have been reports of disqualified images with the reason being cited as the rule changes. Furthermore, the only categories that prohibit manipulation are nature and photo-journalism. Therefore, manipulation is not a reason to disqualify an image in any other category. It's certainly ok to comment that the judges feel the image would score higher in creative.

As many of you already know, The date change for the Spring convention means I'll be stuck at work; while the rest of you are having fun. Oh well...enjoy!

Rules for Panorama Print Annual Contest,

1. A Panorama print is considered to be a photographic print with a minimum of at least a 2 to 1 ratio; with no square inch limitation.
2. Open contest, any subject, mode, or process, color or Black & White.
3. The print may be produced by the entrant or by a commercial laboratory.
4. The print **MUST** be mounted.
5. Any contingency not covered by these rules will be referred to the Chair of the Panorama Print Competition, whose interpretation and decision will be final.
6. Ribbons will be awarded according to current N4C judging club rules; points will count towards Club of the Year and Photographer of the Year.
7. To reduce cost and problems with mailing oversize prints, this contest will require that entrants deliver their entries to Springbrook, either in person or make arrangements to have them delivered and picked up afterwards. No prints will be returned by mail.

The Chairman is Ed Siems, ed_siems@yahoo.com, of the Central Iowa Camera Club. Prints are generally brought on Saturday morning to the library (across the hall from the meeting room). Be sure your print has a title, your name, your club name, and your N4C number on it.

I generally start sorting and arranging these after lunch, so they will be ready for judging around 3 pm in the same library room. Prints are shown to the assembly and ribbons are presented at Springbrook.

Judges are chosen by Ed Siems after it has been determined which clubs are represented in the contest. Judges are not allowed from any club which has an entry in the contest.

Pat Schwope
N4C Secretary

Biographies of Officer Candidates on N4C Ballot, 2017 – 2018

For President: Bob Lathi – Duluth Superior Camera Club

I formerly served as President of the Duluth-Superior Camera Club, for two 2-year terms. I retired from the Duluth public schools 12 years ago, after teaching English for 33 years. After retiring, I turned to my little pursued hobby of photography, which allowed me to continue learning, something I hold dear. I've been married to my wife Ethel for 46 years. We have two children: Briana and Greg. Once I made the decision to improve as a photographer and to learn as much as possible about the new digital age we enjoy, and because I compete in N4C and PSA, my photography has improved.

For 1st Vice President: Debbie Bates – Southwest Iowa Shutterbugs Camera Club

Debbie Bates has been involved with photography for over 31 years. She helped to organize the Southwest Iowa Shutterbugs Camera Club in 2009. She recently retired after 25 years at Walmart, 10 of those as photo manager. She believes in learning as much as possible and passing it on to others to help them in their photography. Debbie has been married to Keith Bates for almost 22 years.

For 2nd Vice President: Mark H. Gromko – Iowa City Camera Club

I have been interested in photography since I was young, but it is only since my retirement in 2009 that I have been able to devote time and energy to developing my photography in a more studied way. I worked for 31 years at Bowling Green State University, first as a faculty member in genetics and evolution, and then in administration (Vice Provost for Academic Programs). Freed from those responsibilities, and with our children grown and out in the world, I have undertaken photography trips to a variety of locations. I have concentrated on landscapes of the natural world, but I am also interested in macro and wildlife photography. I have been a member of the Iowa City Camera Club since 2010, and served as President of that club in 2015-2016.

For Secretary: Pat Schwope – St. Paul Camera Club

My husband, Gene, and I enjoy spending time with our grandchildren, ages 13,11,9 and 6, attending their various church, school, and Scouting events, and doing some photography on our yearly travels. Gene and I are St. Paul Camera Club Co-Historians, and Co-Editors of the SPCC Yearbook. I have been a member of SPCC since 1979, and am currently serving as Special Competitions Chairman, N4C Representative, and Delegate to the Twin Cities Area Council of Camera Clubs. I have served as N4C Secretary since 2003, and am pleased to be asked to continue. I have very much enjoyed attending Springbrook; am looking forward to the Iowa Camp-In at our new location; and always enjoy attending the yearly N4C Convention.

For Treasurer: Lynda Richards – Des Moines Camera Club

I have served as N4C Treasurer since 1999, and would be honored to continue in that position. As an officer of N4C, I believe it is important to attend both Springbrook and Conventions. I am very interested in trying to think of ways we can encourage our clubs and their members to be more involved in these two very educational and fun events. I treasure the friendships and camaraderie found with other N4C members. As a long-time member of the Des Moines Camera Club, I have served in several offices, including President, Newsletter Editor, Convention Chairman and Camera Show Chairman. Since 1986, Imaged by Lynda Richards has been my portrait business, giving me the opportunity to photograph senior high students, weddings, families, children and special events. Some of my favorite subjects have been by grandchildren, Christian and Olivia. Traveling is one of my favorite pastimes, and allows for many photo opportunities. Over the years my husband Jim, and I have prepared and shared many slide shows to different organizations. Some of the places we have traveled besides all 50 states are Russia, Belarus, New Zealand, Tahiti, Belgium, France, Netherlands, Germany, Luxembourg, England, Wales, Scotland, Ireland, Northern Ireland, Canada, and Mexico. Besides continually working my business, I am currently working on family history slide shows, combining old and new family photos set to music.

Biographies of Director Candidates on N4C Ballot, 2017-1018

For Director Number 1: John Larson, Jr. – Shutterbug Camera Club

I am very happy to be asked to serve as Director #2 for N4C. I am a retired electrical engineer now teaching math part-time at Southeastern Community College, and married to Ruth. For 38 years I worked as an engineer with both General Electric and Marathon Electric. During that time, my responsibilities included managing all of the engineering computer efforts, primarily CAD and CAM. I took my first photography class in 1991, and joined the Shutterbug Camera Club. My first digital adventures were having slides scanned to CDs. I then purchased a Canon D-30, followed by a Digital Rebel, and now primarily use a Canon 6D and 7D. I enjoy sports of several varieties, especially skiing in winter. I began to be active in N4C activities in 2004, and currently am PJ Chairman. I joined PSA in 1994, and am in my second term as Chairman of PSA's PJ Division. I was names APSA in 2009

For Director Number 2: Steve Thompson – Sioux Falls Camera Club

I've enjoyed photography ever since my first contact print became visible in the tray while in Junior high. I joined the Sioux Falls Camera Club in 1984, and have held most of the offices and committee positions. I've attended most N4C Conventions since 1988, and have made it a habit to attend Springbrook. Whenever I get a chance, I promote photography, and share what I have learned with those new to photography. I am currently a member of the N4C Service Awards Committee, and served as Convention Planning Chairman from 2006-2012. The best part of N4C for me is the fellowship and the inspiration I received to improve my photography.

For Director Number 3: Doug Conrad – Sioux City Camera Club

Photography has been a passion of mine for over 30 years. I began shooting in the early 70's with a Petri 35mm SLR film camera, which I purchased while in the Navy, and then later upgraded to the Canon AE1. I began shooting digital in 2003 with the Canon A80 point and shoot, and in 2007 purchased my first DSLR, the Nikon D5000/ I'm currently shooting with the Nikon D7200. My passion is shooting nature and landscapes, but I enjoy taking all types of photos. My dog, Lambeau, and my grandkids are also popular subjects.

For Director Number 4: Paul J Grillo – Des Moines Camera Club

I have been a member of Des Moines Camera Club Since September 2010, and have attended N4C Springbrook Conferences since April 2011, including a couple of the Annual Conventions with committee participation when Des Moines hosted. In addition to judging for our local camera club, I regularly judge for N4C, and have also judged for PSA. Photography is becoming a larger part of my life as I look toward retirement from my current career in the IT Composition and printing world. I enjoy being in organizations like N4C, and over the career have served and held top positions on many trade organization boards, and personally have served on condo association boards as President. I have taken these positions because I believe that you must participate and contribute to you profession or passion in order to reap maximum benefits that you expect.

For Director Number 5: Greg Hogle – Topeka Camera Club

I have been a member of the Topeka Camera Club for 10 plus years, and have been President of the club for the past 3 years. I have attended the last 7 conventions, and have been to Springbrook for the last 8 years. I love taking pictures, and concentrate on travel and people photography (mostly family related). With 20 grandkids, there is never an end to photo opportunities! I also do portrait photography with a small studio in my basement. I look forward to the day when I can retire from work, and spend more time taking photos.

For Director Number 6: Terry Butler – Western Wisconsin Photography Club

I have been a member of the Western Wisconsin Photography Club (WWPC) since 2011. I soon started to represent my club at the Twin Cities Area Council of Camera Clubs (TCACCC), which includes more than 20 camera clubs in Minneapolis, St. Paul and outstate. I have been serving as Secretary of that organization since 2013. When I became President of WWPC in 2015, I was the driving force for our club's joining N4C. At this time, I am still President of WWPC and serve as its webmaster, am called upon to judge salons for other clubs in the TCACCC, have given photography-related presentations to local clubs, and help with the TCACCC's annual Spring Break event. I especially enjoy the many friendships I've made, and the opportunity to help others on their photography journey.

 - HM Northern Saw-Whet Roosting - Paul Hagen, Fargo-Moorhead
- 103 entries from 22 clubs. Judging Club: Omaha Camera Club. Chair: Larry W. Headley. Judges: Mike Barker, Allen Kurth, Dorothy Sansom. Comments: So many fine entries, it was very difficult determining measurable differences in the top 15-20 entries. Two issues came up; neither issue affected the scoring, but should be mentioned: 1) A fantastic photo of newly hatched birds in a nest raised questions about how it was taken without causing "distress or injury to any wild creature". The camera had to be incredibly close to the subjects and the nest looked like a picture out of Good Housekeeping magazine. 2) Several entries of flowers looked like they were "cultivated", which is not allowed in this category. However, it begs the question: How is a photo of a wild animal in a zoo any different from a photo of a wild/exotic plant taken in an arboretum or botanical garden? Some clarification is in order here. The Omaha Camera Club hopes its comments (100% of entries) are helpful.
